# Stephen's Letter

## Definitely maybe...or maybe definitely?

*"For no matter how many promises God has made, they are "Yes" in Christ...it is God who makes both us and you stand firm in Christ" 2 Corinthians 1v20-21*

Not only is the modern world busy, as described in last month's H&V letter, it is also less certain than it used to be. Often, we find the old rhythms of life that we once had - in our workplaces, our communities and our families - have gone, replaced by an unstable concoction of constant - and often profound - change, short-lived fads, sudden whims, and uncertainty, all which can look to the uneducated eye like total chaos!

Consequently, it matters all the more in the current context that, as individuals, we live our lives intentionally, working constantly towards good personal goals, regardless of the tides of popular opinion. This gives us a sense of purpose in life, and a measure of stability in an unstable world.

A good way to do this is to make a commitment to a particular way of life - and Christians do just this, when they choose to trust in Jesus. In this Bible verse, St Paul reminds the Corinthian believers that God has said "yes" to them by sending Jesus, so they too should stand firm in life, by living the message of Jesus, in word and deed.

A number of people in our parishes will be saying yes to God, and making a commitment to the Christian life at our **Confirmation Service on 14th October**, Please do join us to support Rebecca, Harry, Isabella, Phineas, George and Malcolm at their confirmation.

In any case, in a world of "definitely maybe", the idea of the Christian life, with its time-honoured goals of fulfilment, blessedness and service, should appeal to all of us. Let's think about these things carefully...before something else crops up and distracts us....

With best wishes,

Stephen

# St. Andrew's C of E Primary School

## A New School Year!

The children have come back to school with a brilliantly positive attitude, showing that they are ready to learn and eager to do their very best.

We have welcomed new children into Reception who are delightful and have settled in superbly!

Miss Rogers has also joined our staff team as Teaching Assistant. Miss Rogers is trained as a Sports Coach and Forest School Leader so the children will benefit hugely from her expertise. We are delighted to have Miss Rogers leading our After School Care Club each afternoon too!

## School Vision

After a 6 week break, we have been taking a fresh look at our School Vision, exploring further how we can show each aspect of the vision in school life.

We are always keen to join with the local community to as a way of expressing our School Vision so if there is anything you would like us to be a part of, we would love to be involved!

# Chedworth Parish Council

## Councillor negotiates refund from Thames Water

Parish councillor Clive Poulton has been doing battle with Thames Water for the last month following the latest problem with our water supply.

He has been discussing the way in which the problem was dealt with by Thames, who failed to keep villagers informed and did not provide bottled water despite the length of time we were without a supply.

One positive outcome of Clive's discussions is that Thames have promised to credit all customers in Chedworth with £30 in next year's bill without the need to apply. (This refund used to be automatic but no longer is).

Thames have also agreed to send Huw Thomas, an area representative, to our 12th November meeting (which will begin at 7.00pm), to hear our complaints and explain what they are doing to improve our supply and if you would like to have your say please come along.

## Getting ready for what winter has in store

New grit bins have been placed all around the village which we hope will provide enough grit to help keep our roads safe if we get a repeat of last winter's weather.

We have purchased covered bins to replace the previous open ones and they are in far more locations around the village than before.

Following last year's problems, when the county took us off the gritting route, we had discussions with highways and they agreed to fund half the cost of the new bins and will be filling them before winter.

Thanks must go to Matt Fulford who worked with highways, sourced the bins at a far cheaper price than those provided by the county, and along with Iain Robertson and a band of volunteers, put the bins out around the village.

Hopefully if we do get a repeat of last year's extreme weather then we will be in a better position to keep the roads clear.

## Parish asked to act to help drama group

We have been asked for help by Chedworth Drama Group which is desperately in need of storage space for its scenery and other equipment. The group asked if we would be willing to allow a storage container on the former Diggers Field by the mobile phone pole, and although we were sympathetic to their request, we did not feel that a metal storage container would be appropriate in that location. Councillors supported the idea of a more agricultural type building which would be much more in keeping and hope that if the group is unable to find any other suitable storage that they will come back to us with a new proposal.

## Do you have a little time which might save a life

If you have a few spare minutes each month and access to a computer then you might be able to help keep the village a little bit safer. We need someone to take over carrying out a few simple monthly checks on the defibrillator in the Xbox, the old phone box at the bottom of Hemplands Hill. It just takes a few minutes each month to

check out the defibrillator and report back to the Heartbeat Trust. The checks have to be carried out to ensure that the defibrillator is working and they need to be reported regularly so that the defib remains on the ambulance service list and available for use.

If you think you can help please contact the clerk, Liz Broad, or me, Ros Jess.

## Back in time for the verges

The council is taking on the challenge of trying to restore the verges to their former glory.

Over the years the verges have become overgrown with brambles and blackthorn, while flowers and other interesting plants have disappeared under nettles and whiteweed.

This is going to be a long process, but the first step is to cut the verges back to the wall and fences and in future years will involved picking up all the cuttings to try to discourage nettles and other weeds which thrive on the nutrients if the cuttings are left.

If you want to find out more about how to restore verges you can check out [www.plantlife.org.uk](http://www.plantlife.org.uk)

# LIVE ON

TO THE MEMORY OF THE FALLEN  
AND THE FUTURE OF THE LIVING

100 years ago at the 11th hour on the 11th day of the 11th month of 1918 the 'Great War' ended with the loss of and 886,000 British military personnel.

The Poppy Appeal collection period for 2018 will be from **Saturday 27th October to Saturday 10th November.**

The national Poppy Appeal collection for 2017 stands at £44.1 million (as at April 2017).

Last year the Chedworth & District Poppy Appeal raised a grand total of **£4,365.38p**, an increase of **£228.17p** on the 2016 collection figure (and that is before gift aid (G/A) has been reclaimed from HMRC which is expected to be just over £300 due to the 89 people who kindly signed gift aid forms for donations totalling £1,497).

Our Poppy Appeal accounts go back to 1994 and over the last 24 years Chedworth and District have collected **£80,106.24p** and donated it to the Royal British Legion.

This is a testament to the many hours of committed work provided by our 19 volunteer Collectors who kindly assist each year with 'house to house' collections in Chedworth and District (Coln St Dennis, Coln Rogers, Fossebridge, Calmsden, Pinkwell,

Compton Abdale) and at our static points located at St Andrew's School, The Fossebridge Inn, The 7 Tuns, The Hare & Hounds and Chedworth Villa.

Gift Aid is so important to the Royal British Legion - UK tax payers can increase the value of their gifts/donations to the charity by completing a Gift Aid form - every £1 donated means that the Royal British Legion can claim an extra 25 pence.

On behalf of the Royal British Legion and our local British Legion Branch may we thank all the local residents who kindly support the Poppy Appeal each year.

## Coln Rogers "Thankful Village"

---

Coln Rogers is one of the 53 villages in England from which all their members of the armed forces survived World War 1.

There is a plaque in the church porch listing the 25 villagers who returned safely.

There will be a centenary commemoration of this happy return on Sunday 11 November with a special church service followed by a celebratory event, including an exhibition, in the Coln Valley Village Hall.

If you have any information about any of those who returned safely please get in touch with Jacky Penning-Rowsell (email: [jacky@penningrowsell.com](mailto:jacky@penningrowsell.com)).

Or, if you have any photos or other memorabilia from World War 1, which could feature in the exhibition, do please also get in touch.

Many thanks

*Jacky*

# The Month of October

The Anglo-Saxons called October "Winterfylleth", because at this full moon (fylleth) winter was supposed to begin. October is commonly associated with the season of autumn in the Northern hemisphere. It can be a time of unseasonably warm, dry weather, an Indian summer as described by John Keats :-

"Season of mists and mellow  
fruitfulness

Close bosom-friend and the maturing  
sun

Conspiring with him how to load and  
bless

With fruit the vines that round the  
thatch-eaves run"

October is usually the end of the wheat sowing season, that was traditionally celebrated by seed cakes and frumenty, a gruel made of milk, wheat and sweet spices, that was sometimes laced with alcohol. There are some late fruits at this time of year such as damsons and medlar, that benefit from frost. Sloes are best picked for sloe gin after the first frost in October. It is a time when we start to prepare for winter and put the garden to bed and check the wood shed. The month is marked by lovely colours

in leaves and the start of leaf fall towards the end of the month, which Thomas Hardy described in the "Last Week in October":

The trees are undressing, and fling in  
many places-

On the grey road, the roof, the window  
sill-

Their radiant robes and ribbons and  
yellow laces

Notable dates in the month include :-

October 18th St Luke's Day, Luke was one of the four Evangelists and is the patron saint of doctors, surgeons, farmers and artists.

October 21st celebrates the Battle of Trafalgar when the English fleet commanded by Admiral Nelson defeated the French and Spanish Fleets and removed the threat of a French invasion. The 21st is also Apple Day, when events such as cookery demonstrations, apple games and orchard visits are held.

October 25th is St Crispin's Day and is the feast day of the Christian saints, Crispin and Crispinian, twins who were martyred. It is also famous for the battle of Agincourt 1485 when Henry V inspired his much outnumbered forces to defeat the French as dramatised by William Shakespeare in Henry V "God-for Harry, England and St George !" and " We few, we happy few, we band of brothers"

October 31st is Hallowe'en and the eve of All Saints Day, a Christian festival in honour of all saints, known and unknown. In times past, livestock were driven from pastures into barns for the winter. Animals not likely to survive the winter, but which would consume valuable fodder were slaughtered for Samhain feasts. Samhain is a Gaelic

festival marking the end of the harvest season and the beginning of the winter or the "darker half" of the year. Traditionally it is celebrated from 31st October to 1st November, as the Celtic day began and ended at sunset.

## Maggie's Poem

### Problem Birds

Do you have these birds in your garden  
Magpies, jackdaws and old crows  
Now they bring their families  
So the problem grows

Even frighten our lovely woodpeckers  
That bring their families along  
And our beautiful blackbirds  
That cheer us with their song

So now I have learned a little trick  
Take the fat balls in at night  
So no early eating for them  
When there is no food in sight

They can't get at the sunflower seeds  
So the little birds can feed  
Put fat balls out when time is right  
And the big birds nowhere there  
Plenty of birds then come feeding  
And the bird cage will not need repair

*Maggie Scrivens*

Jules Owen from The Cotswold Craftroom travelled to Chedworth on September 13th to entertain our meeting with 24 members. She demonstrated card making, in fact she put us to craftwork very efficiently and everyone had fun following the instructions of 'How to make a card with a man's shirt on the front'. It was a busy scene with everyone helping each other and producing artistic results.

Other News from the meeting;

1. A reminder of a visit to the BMW Mini Factory in Oxford on October 31st. If interested contact Emma Isaac.
2. Date for the Annual Dinner with Bring and Share Food is Wednesday November 14th.

The next meeting is Wednesday October 10th, 7.15pm and the speaker will be The Revd Nicolas Henderson, the title of his talk is 'Fortitude and Fancy', an informative and amusing evening of Catherine of Aragon and Anne Boleyn.

Hope you can come, visitors are always welcome.

# Churn Coffee Cascade

This October, Cirencester's very own community charity, The Churn Project, is holding a Coffee Cascade to raise funds to continue its Good Neighbours service. This provides weekly visits to older people who live alone, ensuring that they feel better connected and supported within their community.

Our goal is to have 2,000 people join in - from a trickle of people taking part at the beginning we create a cascade of support!

We will help you to take part, so that you can help The Churn Project reach even more people in our community, by providing a Coffee Cascade pack of tools and information. We will even come along to speak at an event to explain how it all works if that will help you to bring people on board.

We hope you will want to be part of this amazing fundraising event this October.

## How does a Coffee Cascade work?

It's simple. We invite you to join a group of friends for coffee and cake, in return for a £3 donation and your pledge to hold your own small coffee and cake event where your guests donate £3 and pledge to hold their own coffee and cake event, and so on. This creates a network of people who, by doing just this simple thing - holding a small coffee and cake event in their own homes - can make a huge difference to the lives of so many in Cirencester and surrounding villages.

If you would like more details or someone to come to speak to your group either about the coffee Cascade or about the work of The Churn then please contact the Coffee Cascade by phoning 01285 380038 or emailing [coffee@thechurn.org.uk](mailto:coffee@thechurn.org.uk)

The nursery teacher decided to tell her class about democracy. 'We live in a great country,' she began. 'One of the things we should be happy is that, in this country, we are all free.'

One little boy stood up and looked indignant. 'I'm not free,' he protested. 'I'm four.'

\*\*\*\*\*

Three elderly church ministers, all hard of hearing, were playing golf one sunny spring morning. The Methodist minister observed, 'Windy, isn't it?' 'No,' the Baptist pastor said, 'it's Thursday.' The Anglican vicar agreed: 'So am I! Let's go get a pint.'

# Elderberries

In August we had an enjoyable afternoon at Lyn's home and are grateful to her, Sue and Ian for our meeting taking place there.

It is a lovely garden and on a warm sunny afternoon we were able to walk round and look more closely at the numerous plants and trees. As always we enjoyed our tea and cakes in a pleasant relaxed manner. We certainly appreciated a typical lazy summer's afternoon.

We also had a quiz concentrating on the 1950s and Diane quietly kept providing answers when many of us were stumped. However it also proved how

much more we remember from years ago as compared to yesterday. It is always good to reminisce and recall 'the good old times'.

On the 19th September we were expecting our friends from Rendcomb to join us for our annual Harvest Festival which was to be led by our fellow member Stephen Phillips.

As always we offer a very warm welcome to anyone over the age of 60 to join us on the third Wednesday of every month starting at 2.30pm. If you would like to know more please ring Helen Taylor on 720702 or Carol Shaftoe on 720074.

After several months of unhappiness, it came time for the visiting minister to leave the little local church where he had been filling in. During the last Sunday service, his hat was passed around for a goodwill offering.

When it returned to the minister, the hat was empty. But he didn't flinch. He raised the hat to Heaven and said, 'I thank You, Lord, that at least I got my hat back from this congregation.'

# Golf Day at Monmouth

First of all I would like to say a very big thank you to the 24 golfers who attended this charity day, for their patience and understanding after the bad organisation at Monmouth Golf Club. Which I might add was the worst I've had in 14 years. Apart from that I think everyone enjoyed themselves. Thank you to Chris and Andy Miles for printing the programmes for the day, also thank you to Chris Heaps for all his help before during and after the event. The weather was fantastic (just right for golf) . We played Texas Scramble for both rounds. The winning teams were as follows.

1st Jamie Cowell, Jeff Wheeldon, John Sissons and Nathan Heaps.

2nd Dick Handy, Ian Taylor, Martin Harrison, Pete Heaps.

3rd Alistair Booth, Andy Miles, Ivan, Tim Gleeve.

Nearest the Pin won by John Sissons.

Longest Drive won by Nathan Heaps.

The afternoon round winning team was Alistair Booth, James Hartshorne, Jamie Cowell and Lee Hatherall.

2nd Chris Heaps, Craig Hughes, Ian Emes and Tim House.

3rd Andy Miles, Nathan Heaps, Robbo and Pete Heaps.

Nearest the Pin won by Lee Hatherall.

Longest Drive won by Jeff Wheeldon.

Congratulations to you all. Special thanks must go to all the people who gave raffle prizes or sponsored holes, because without your support we wouldn't be able to raise the money we do. The Grand Total this year raised is £2170.00 which will be given to the 2nd Chedworth Brownies and the Girl Guides.

Finally thank you, thank you to every one who supports me in raising this money. I look forward to seeing you all in September 2019.

Best wishes

# Your Gardening Tips for October

Some leaves are turning and some are falling, but there should be plenty more warm weather to encourage us to get out into the garden

- It is time for tidying the borders, leaving seed heads for the birds. Trim back lavender if not already done.
- Add compost or rotted manure to the garden to reinvigorate the soil over the winter.
- If not done, there is still time early in the month, to rake out the dead grass from lawns and treat with autumn feed (to strengthen the roots), especially if your lawn has struggled in the hot summer. Keep the grass no lower than 1 inch high.
- When digging out the vegetable garden leave the pea and bean roots in the ground to recycle nitrogen.
- If you can, resist harvesting all your carrots, kale, cabbage, parsnips and brussels sprouts until after the first frost, as they will taste better.
- Put green tomatoes in a drawer with a banana to ripen.
- Clear up fallen leaves regularly to make compost. Shred through the mower and mix with last grass mowings to help break down the leaf structure.
- Divide herbaceous perennials and rhubarb crowns.
- Plant out winter lettuce, autumn onion sets, garlic and spring cabbage. Remove yellow leaves from over wintering brassicas, and if not already done, cover your brassicas with bird proof netting. Stake tall brassicas, against wind damage.
- Plant wallflowers, forget-me-not, primulas, violas and other spring bedding plants in prepared ground or pots.
- Shrubs that are pruned hard in the spring, such as Buddleja, Cornus and Lavatera, can be cut back by half to prevent wind rock
- This is a good time to apply glyphosate weedkiller to perennial weeds.
- Prune shrubs and fruit trees to increase ventilation. Inspect for signs of disease.
- Prune climbing roses

- Clear out debris, weeds and excess oxygenating plants from ponds. Leave by the side of the pond for 36 hours before composting, to allow wild life to return to the pond.
- Take cuttings of tender perennials, such as pelargonium.
- Do not feed plants at this time of year as it will encourage soft sappy

growth which is vulnerable to frost and wet damage.

- Bring tender plants in doors or into the greenhouse.

Ben Stevens Decorating Services

We have certainly been working hard to put this lovely old Inn back on the map, it has been totally refurbished inside and I have revamped and replanted the garden too. The patio is a real joy of floral loveliness in the Spring & Summer months.

The atmosphere inside is warm and relaxed and Kev has created a superb Menu which has 'County-Living' influences. We have a good range of Wines & Ales that complement the quality ingredients used in the kitchen.
