Readers and Contributors

The production of the Hill and Valley Magazine is made possible through a combination of the articles from our contributors, our advertisers, our printers, finance team and a group of coordinators creating the magazine 10 times each year.

In order to assist the magazine coordinators we ask that articles are

submitted online (not by email). For more information please go online to the Magazine Contributors area of **www.hillandvalley.co.uk**.

Business advertisers please contact Sue Robertson - 01285 720683 or **sue@robertsonmail.co.uk**.

The magazine coordinators for July & Aug were Sue & Iain Robertson (01285 720683) and for September will be Julie Young (01285 720398).

Please submit all articles and adverts before midday on the 15th of the month using the online system.

Summer Glory

"He has brought us to this place...a land flowing with milk and honey, and now I bring the first fruits of the soil that you, O Lord, have given me" Deut 26v9-10

Here in Chedworth, in the Gloucestershire Cotswolds, we are blessed indeed to live in a green and pleasant land – flowing with milk and honey, as the writer of Deuteronomy might describe it (above) – and, in the summer months, with trees in full leaf, flowers in full bloom, fruit ripe and vegetables ready to eat, we see ample evidence of this. Moreover, we have great opportunities to enjoy the season here in our village, with our recent Open Gardens and Flower Festival and with the Chedworth Show still to come.

In Deuteronomy, God bids the people of Israel to thank him for the land he has given them, and to bring the fruits of the land to him in thankful response. We too should thank God for the beauty and blessings of our locality, and remember that the fruits of our labours in our gardens reflect his glory, not just our work. After all, God created it all in the first place, and it is he that has given us what is ultimately temporary stewardship of the homes, gardens and village we enjoy. We should learn to be good stewards.

For, while we enjoy the fruits and flowers of the summer, we do well to

remember that is just a season. The flowers of the summer will soon go over, and plants will wither as autumn draws on. But, as the prophet Isaiah says, "the word of our God stands for ever". Summer has beauty and vitality, but it is transient and soon gone. But if we trust in God for all we have and hold to the truth of his Gospel, we will know a deep joy, peace and love, whatever the season.

I hope that you enjoy summer's glory here in the Cotswolds, or wherever you might travel to this summer. And I hope that you will make the most of the opportunity for relaxation and rest that summer brings, because this will restore your soul and draw you closer to him – and this is a blessing that will still be with you when the blooms and verdure of the summer are over.

Have a delightful, joyful and relaxing summer season.

Best wishes,

Stephen

Advance Notice – the Alpha Course

During the autumn, we will be running the world-famous Alpha Course in our parishes – further details in the September edition of Hill & Valley.

Advance Notice – St. Andrew's Day Ceilidh – 25th November

Join us for the St Andrew's Day Ceilidh on 25th November at Chedworth Village Hall - a whole-village family fun event to brighten up those dark winter nights! Join us for an evening of superbly choreographed Scottish dancing (no previous experience necessary!) with ceilidh band, Hetty Pegler's Tump, as well as a delicious Scottish buffet! This event is jointly organised by St Andrews Church and St Andrew's School PTA.

Tickets will be available from the September onwards, but for now save the date and keep a look out in the Hill & Valley Magazine and on the Chedworth Facebook after the summer break for ticket details.

Help us make it a Chedworth St Andrews day to remember!

Baptisms

The church has always understood that

the baptism (christening) of a child is the beginning of a relationship with God – and with the church.

Furthermore, the recent Diocese of Gloucester Vision consultation has found most unsolicited enquiries to local churches from people in the 30-44 age group (a group that is under-represented in the church) are baptism enquires.

The Diocese has therefore asked parishes to consider how they can improve their procedures around baptism, and our ministry team has given this careful consideration. Unlike larger churches, we do not have the resources to do intensive training/preparation for families seeking baptism, but we would like to get to know families better.

Consequently, we would like to invite families who are resident in the Hill & Valley Parishes to attend a family-style service (Family Service, Tea Time Service or Family Communion) in the parishes, if they have not already done so, prior to the baptism. Please contact Stephen if you have any queries.

St. Andrew's C of E Primary School

It is quite extraordinary how the end of the academic year creeps up on us! St Andrew's has seen many changes with year with a brand new library and redecoration of many areas inside and out, a fresh approach to teaching English and Maths, new creative curriculum topic areas, an increase in opportunities for parent involvement in their child's learning.. I could go on!

There is so much to celebrate and be thankful for. I am extremely proud of our excellent staff team and governors who have worked immensely hard with me as we have navigated our way through this year of change at St Andrew's to provide the very best education for the children.

We are already seeing the impact of many of these changes and I look forward to the next year as a time to

Parent Questionnaire Results

We were delighted with the response from a recent parent questionnaire as we continue to be self-reflective. The results speak for themselves; here are just a few of them:

- 91% of parents feel their children feel happy and safe at school 'My child is always very excited to go to school and is happy to talk to a member of staff with any issues'.
- 90% of parents feel the school develops their child's self-confidence 'Positive praise and encouragement has helped my child become so much more confident; great to have other areas of my child's life being valued too e.g.

School Cleaner Required - Glen Cleaning Group are looking for a part time cleaner for the school on Mondays and Fridays (total of 6.5 hrs per week split between both days after school). music, performing in front of people.

- 90% of parents feel that their child is taught well at St Andrew's 'As parents we feel very involved; brilliant teaching; the teachers have been the perfect starting blocks'.
- 91% of parents feel the school is well led and managed 'Very pro-active; I recognise the improvements; daily communication is very useful'.

Year 6 Cathedral Service and climbing treat at Far Peak

St Andrew's was one of 95 schools represented at the Cathedral earlier this month for the annual Cathedral Service, marking a very special time in these children's lives. Each child was given a wooden 'holding cross' to keep as a way of reminding them that even when they leave Primary School, God stays with them.

This was followed by an afternoon of climbing at the Far Peak Centre – a chance for our Year 6s to enjoy time together in their final weeks of school.

Chedworth Parish Council

News from our June Meeting

Tuns Hill flooding problem solved?

There was welcome news at our meeting that the work to replace the blocked pipe which had caused the flooding problems on Tuns Hill was well underway and due to be completed shortly.

Getting a resolution to this long-standing problem has required a huge amount of effort. The Parish Council has spent many hours discussing the issue and, along with our county councillor Paul Hodgkinson, putting pressure on highways to prioritise the work.

In the end, in order to move things along, the Parish Council agreed to pay for investigations to discover exactly what was going on under the road.

Councillors

Ros Jess (Chairman)	720248
David Broad (Vice-Chairman)	720313
George Broad	720313
Matt Fulford	721134
Ian Morgan	720885
Clive Poulton	720690
Iain Robertson	720683

To contact the Council, email the clerk, Elizabeth Broad (clerk@chedworth-pc.org.uk), or call her on 720313, or get in touch with any of the councillors directly.

Once highways had this information it was clear that a section of pipe needed replacing and they have decided to replace the entire length of pipe. We are hopeful that it will once again be able to cope with the volume of water, particularly in the winter

Although the whole council has been involved in discussing the problem, special thanks must go to Matt Fulford who has made it his mission to get the work done. He has held meeting with contractors, doggedly pursued the highways department to ensure they kept their promises and made numerous visits to the site to check up on things – thanks Matt!

Power supply a new hurdle

The Parish Council is continuing to work with the company hoping to bring mobile coverage to parts of the village which are currently ‘not-spots’ by putting a pole on Parish Council land. We have held a meeting to discuss how electricity can be provided to the site and are waiting to hear what the next step will be.

Useful guidance from survey results

The results of the Parish Council’s own survey which was attached to the recent housing survey have now been analysed and are available on our website.

Chedworth Parish Council

Results show that highways, including grass verges and road maintenance, conservation and biodiversity are all matters which are important to villagers and we can now use the information to help us with our decision making in the future.

Ian Morgan has spent many hours working on the figures and we are grateful to him for his efforts.

Triangle to get a make-over

The council has made a long-term commitment to tidy the triangle of land at the top of Tuns Hill.

The area has been neglected for many years and has been an eyesore in an important part of the village.

We have agreed a management plan which it is hoped will eventually restore the grass and remove the nettles, whiteweed and other weeds.

Sign language

We are going ahead with plans for Emergency signs to place around the village when there is urgent parish news to report.

The recent survey showed that the Hill and Valley is by far the most popular way for villagers to find out what is going on, but of course this only works

for providing information on planned events or reports of past ones.

Facebook, the Parish Council website and Chedworth Chatter are used by some people to get their news updates but the numbers are fairly low.

The new Parish Council signs will be put out only if there is urgent news which we need to pass on and will give an brief indication of what the issue is and then advise people to contact the council or look on village social media.

The Chedworth Annual Show

A reminder that The Chedworth Annual Show Chedworth Annual Show will be held on 26 August 2017.

For the second year running, it will be a much larger event with many more attractions. As in previous years, Sweet

Fuels, as well as a sponsor of the show, will be donating 1000 litres of oil and this will be split into five prizes. Winners will be published at the show and personally notified soon after.

BBC Radio Gloucestershire and CHOC

Listeners to the above programme on 13 June will have heard about the benefits for rural communities having an oil club. Paul Dixon from ACRE (Action with Communities for Rural England). Adrian Sweet from Sweet Fuels and Phillip Needham from CHOC participated in this feature which was on the Anna King show 9.00 to 10.00.

If you missed this and are interested, you can pick this up from BBC RG until 29 July 2017.

What are drones & are they legal?

Drones are very much in the news today. They have been seen flying over Chedworth.

But are you allowed to fly drones?

Here is the answer given by Gloucestershire Constabulary who refer to the “Ask the Police” website at www.askthepolice.uk

Drones (unmanned aerial vehicles (UAV) are essentially flying robots. The aircraft can be remotely controlled or can fly autonomously using inbuilt software controlled flight plans.

Designed for designated purposes by the military, they are becoming increasingly popular among members of the public.

If you are considering using a drone for recreational purposes, we would advise that you consider the guidance below:

- You must not fly the drone above 400 feet in altitude or further than

500 metres away from you horizontally.

- If you wish to fly one that exceeds the limits above, you will need to seek permission from the Civil Aviation Authority.
- Avoid flying it within 150 metres of a congested area or 50 metres of a person or vehicle.
- Use your common sense and fly safely - making sure you can see the drone at all times.
- If you are using one with a camera, make sure you inform people before you start recording and be aware of your surroundings.

Misuse of a drone can lead to a criminal offence being committed.

For any further help on how to use a drone safely and legally, please see dronesafe.uk .

Old Maps and Photographs

If you like poring over maps (old and new) and looking at old photographs then you are in for a treat! Have a look at www.kypwest.org.uk. It is free (heritage lottery funded). From the home page click on Gloucestershire and search for Chedworth or share your location. Hopefully you will see that I have put a photograph of "Old Farm" at Calves Hill. It was easy to do but the data is not added straight away as it goes through a checking process before it is added (hopefully this reduces the content rubbish that so many sites acquire).

The ability to swap maps is interesting. For example you can have the 1844-188 OS and 1894-1903 OS maps side by side

and slide from side to side to see what the village was like pre-railway (open the basemaps tag to see options). I have been assured that the 1840 tithe map and 1803 inclosure maps will be added by the Gloucestershire archives soon to further add interest.

They are very keen for individuals and groups to add photographs and information to this site to make it a valuable source of local history information. This could be an interesting winter time project. Anyone interested?

On a warm evening 24 Members attended the meeting on 14th June. Helen Taylor spoke on the successes of the chocolate quiz as a fund raiser for Denman College, and the computer training morning. She thanked Iain Robertson & Martin Spooner for their help and knowledge and the many problems and questions they solved.

MY WI is a new website for WI members. Each member can log in with a password; details will be sent via email.

Date for the Diary is 21st Saturday October when a Clothes and Bric a Brac sale will be held in the village hall.

Future ideas include a Theatre group and a Photographic club; those interested will be sent dates to discuss these ideas more fully. If interested please could you contact Mick Marsh, our secretary. Thanks.

The Speaker was Jenny Aston, a Professional Photographer who lives in Chipping Norton and is the photographer for the Literary Festival in the town. Her photographs were excellent, with portraits of the famous

authors, Ian Rankin, Sheila Hancock, Ben Miller to name a few.

Jenny gave us hints on how to stand and sit for family photos and with some families her photos had been taken throughout their growing years until their adult education days. Another professional hint is always have a pre wedding shoot for marriages. It is important to get to know the couple and the family members to ensure the perfect picture.

Sheila Bowley thanked Jenny for her talk and the wonderful photographs. It will encourage the future of the new Photographic Club planned in our WI.

A reminder of the Woodland Walk in Wrens Orchard, GL7 7DF on 8th July at 11am followed by a shared picnic. If wet there will be cover. Good footwear is needed. I hope you can all come. The gateway will be marked by balloons and a WI Banner.

The next meeting is on 12th July at 7.15pm in Chedworth village hall. The speaker will be Jill Ruiz on the Lives of Narrowboat Women and Children.

Your Gardening Tips for July & August 2017

Who knows what the weather will be in July and August! It should be warm at least, which will help

everyone planning to enter classes of vegetables and flowers at the Chedworth Show.

- Warm moist weather will bring ants to the surface together with piles of soil, if brushing out does not work, nematodes can be very effective in getting rid of them, if they are a nuisance.
- If your lawn looks tired, give it a quick acting feed. Do not use lawn weed killers in dry weather. If it is really dry and you want be sure to be watering your lawn sufficiently using a sprinkler, once a week, place an open jam-jar on the lawn and leave the sprinkler running for sufficient time for 13mm (0.5in) of water to collect in the bottom of the jar. This is the optimum amount to avoid wasting water, while still wetting the roots sufficiently. Raise the cutters on your mower in dry weather and in late summer to prevent the lawn drying out.
- You may encounter a strange new mildew on your aquilegias, which distorts flowers and shows as grey felt on the undersides of leaves. Fungicides are not effective, and so

plants must be removed from your garden and burnt or sent for recyclingnot on your compost heap!

- Keep removing aphids from rose buds by hand or wash off with a mild soap mix. Pinch out and eat the tops of broad beans to avoid black aphids collecting there.
- Black Spot on roses is common in August, but not really treatable at this time of year. Sweep up dead leaves and burn them.
- August is a good time to apply biological controls for vine weevil.
- Deadhead flowering plants regularly especially in high summer.
- Prune wisteria in August.
- Lift and pot up rooted strawberry runners. Take cuttings of patio and container plants ready for next year.
- Clear algae and debris from ponds and keep them topped up.
- Hebes and lavenders can be given a light prune after flowering in August. If, however, you want capture the full flavour of lavender essential oils for scent or culinary use, cut it when the flashes of the petals are just showing.
- Prune rambling roses once they have finished flowering.
- Hedges need only a light trim in August as they will not grow much more once cooler autumn weather arrives.
- Do not worry by bright green, heavily armoured insects on your plants. These are harmless shield bugs.

Happy gardening!

Chairman's note

Our annual open tournament took place on 10th June and it was a great success. I give my thanks to everyone who supported it, either by allowing us to use their private courts, or from donating raffle prizes and helping behind the scenes. We have a great team who work together to make it an occasion where many players say straight afterwards that they will be back next year! Please read our separate report.

Club Coaching

Adult coaching with Hilary is continuing during the school term. Contact Hilary Swan on 01242-890213. I have been

informed that our junior coach has been unwell and may not return for a while. Although we are seeking a temporary replacement, we may have to wait till the Autumn. Until we have a replacement junior coach you can contact Cirencester, Northleach or East Glos tennis clubs for information on junior coaching.

Summer Leagues

The season is well under way and to date the Ladies A team are lying second in the league with 6 matches to play. The Ladies B Team are having a tougher time with 8 matches played and are sitting in 5th position. The Mens Team have played 7 matches so far and are in second position. If you are interested in playing, please contact Graham or Allison Stock on 01451 860903.

Horticultural Society - Garden Visits

We look forward to Thursday 13th July when we visit Middle Farm, Hawling GL54 5SZ at 6.00pm. Meet at the Village Hall by 5.30pm for car share.

A lovely Cotswold garden, with terraces, pond, courtyard areas, kitchen garden and orchard. This is a beautiful garden developed by its owners Ken & Jules Wood. The roses are fabulous into late summer and fill the air with scent, they should be looking great for our visit. A tour followed by refreshments will be a

great way to spend a summers evening. Entry £5.

I am finalising our August visit. All members will be emailed details and notices will go on the Chedworth Facebook Page. Please contact me to book our visits as it is very helpful to know how many are coming.

Chedworth Cricket Club

The Higher League Brings More Challenges

Despite the positive start to this season for Chedworth CC, the last three matches have seen results that have not gone as well as we would have hoped. Consequently, in mid June the team has slipped into the lower half of the Gloucestershire County Cricket League - Division 6. So, at the time of going to print the Club has played six league games, won two and lost four.

In the most recent game on 10th June, we hosted Bourton Vale 2nd X1, who scored 229 for 6 wickets in their 45 overs. Henry Lait (who stood in for Jamie as Captain) and James Larnar took 2 wickets each. Batting second, Chedworth were all out for 165 from 33.1 overs. Chris Miles (41), James Larnar (33) and Henry Lait (23) were Chedworth's top scorers. Clearly, playing in the higher league this season will bring more challenges.

However, this is great experience for the team and one of the ways for the players to enjoy playing against higher quality opposition. We remain optimistic!

The home fixtures at Beech Walk in July include the Super 8's Tournament on Sunday 2nd, two league games against Upton St Leonards (15th) and Course & Staunton 2nd X1 (29th). We also entertain Cheltenham Civil Service on Sunday 30th, starting at 2.15pm. All league games start at 1.00pm. If you have the opportunity, please come along and support your team.

For more up to date information on Chedworth CC 's results and developments, please look out for regular reports on Chedworth Chatter.

Elderberries

Our 60th Birthday party in May went smoothly and we were pleased that our friends from Rendcomb were able to join us. The musical entertainment was excellent and we thoroughly enjoyed singing along to some of the songs from the 50s and 60s as well as the excellent impersonation of Elvis Presley.

By the time you read this we should have made a nostalgic visit to the

Gloucestershire and Warwickshire Heritage Railway at Toddington. As always we will have ensured that we not only enjoy the trip but consume the requisite cream tea.

At our July meeting we have invited Margaret Daniels, otherwise known as The Bard of Barnwood, who will amuse us with her own particular brand of humour. Then in August we hope to visit Sue Callard's wonderful garden in Chedworth Lanes.

As always we offer a very warm welcome to anyone over the age of 60 to join us on the third Wednesday of every month starting at 2.30pm. If you would like to know more please ring Helen Taylor on 720702 or Carol Shaftoe on 720074.

Chedworth Singers

We would like to thank all who came and supported the Chedworth Singers' Look at the World concert on the 20th May, in aid of Hope for Tomorrow and Scrubditch Care Farm. It was an excellent night, with Victoria and our other guest musicians. We hope you really enjoyed the evening; we had excellent feedback from you, for which we are very grateful. To those of you who were otherwise engaged, but were generous in giving a donation, thank you very much.

We raised £1200; after expenses the remainder will be given to the two charities.

Maggie's Poem

My Brass Cleaner

My husband has a hobby
of cleaning up old brass.
He has so many pieces now,
not much room for more alas.
To the garage now taken over,
no room to put the car.
He now does do a stunning job,
they shine like stars afar.
New shelves have had to be put up
to hold so many pieces.
So many tubes of polish used
for shine that he releases.
Charity shops have calls each week
to see what he can find.
There are not many pieces now
that he leaves behind.
There are a lot of candle sticks,
he has them by the score.
Will be no need for electric
if the house is filled with more.
I'm glad I am not the cleaner,
a job I am not keen.
So thank you Frank for doing that.
One can see where you have been!

Chedworth Roman Villa

There are many exciting events to entertain you this summer at Chedworth Roman Villa.

chat to volunteers identifying and cleaning the new finds.

Just in time for the start of the summer holidays, we are taking part in the nation-wide Festival of British Archaeology with special talks, tours, hands-on activities and re-enactment events. Historic gardener will be on site on weekend 22-23 July. You can meet the National Trust archaeologist Nancy Grace on 24-25 July and enjoy special hands-on activities. On weekend 29-30 July the Roman Military Research Society are bringing military displays and shows that are always hugely popular and take place several times through the day. During the week Monday 1 - Friday 4 August Roman re-enactors will present a range of tent displays depicting Roman life, crafts and culture.

On Wednesday 9 August our wildlife ranger James will spend a day with children at the Bug hunt, looking for mini beasts and learning more about the wildlife at this ancient site.

Over the last four summers archaeological excavations have taken place on the Northern side of the Roman villa. The Big Dig is happening this year again. From Monday 14 until Thursday 31 August you can watch a team of archaeologists uncovering layers of history in front of your eyes. Be the first to witness amazing discoveries and

The villa, café and gift shop are open every day, and there are great walks in the woodland adjacent to the ancient Roman grounds. For a full list of events visit our website:

We have certainly been working hard to put this lovely old inn back on the map. It has been totally refurbished inside and I have revamped and replanted the garden too. The patio is a real joy of floral loveliness in the Spring & Summer months.

The atmosphere inside is warm and relaxed and Kev has created a superb Menu which has 'County-Living' influences. We have a good range of Wines & Ales that complement the quality ingredients used in the kitchen.

We both look forward to welcoming you to The Kilkeney Inn.
