Readers and Contributors

The production of the Hill and Valley Magazine is made possible through a combination of the articles from our contributors, our advertisers, our printers, finance team and a group of coordinators creating the magazine 10 times each year.

In order to assist the magazine coordinators we ask that articles are submitted online (not by email). For

more information please go online to the Magazine Contributors area of www.hillandvalley.co.uk.

Business advertisers please contact Sue Robertson - 01285 720683 or sue@robertsonmail.co.uk.

The magazine coordinator for October was Sue Robertson (01285 720683) and for November will be Iain & Sue Robertson (01285 720683).

Please submit all articles and adverts before midday on the 15th of the month using the online system.

Strictly Gospel

*"How can they believe if they have not heard,"
Romans 10v14*

Faith does not have prime time popularity these days. Religion is increasingly marginalised in television and radio broadcasting; programmes that deal with religious and faith issues may be trivialised, or put on at a time when, realistically, no-one will watch them.

And yet, in the world as it is now, with a perfect storm of terrorism, the threat of wars, and humanitarian disasters, there has never been a greater need for an understanding of the religious and moral dimension of human life. The Christian Gospel - the message of God's love for humanity in the sacrificial death of Jesus - has a 2000-year track record of changing individual people and benefiting public life - and yet it does not get the "air time" that it used to.

But God moves in mysterious ways! The Church of England has found itself on prime-time Saturday night television - represented by the Rev'd Richard Coles, the celebrity vicar who is taking part in Strictly Come Dancing this year! Yet how ironic it is, given the current social climate, that an Anglican priest should find TV fame as a dancer, rather than a preacher! There are lots of reasons for this, and it is beyond the scope of this letter to explore them.

As many of you know, I am a devotee of the arts. You may have seen me in The Merchant of Venice earlier this year. So, at one level, I wish Richard Coles well with Strictly. But you won't be seeing me in a sequinned clerical shirt any time soon! I can act, I can sing - but I just can't dance!

The performing arts are all part of God's good creation and they enrich our lives. They sometimes even help the world with its humanitarian crises, as benefit concerts like Band Aid demonstrate. But they only go so far with meeting our deepest human needs - for love, acceptance, forgiveness - and moral guidance. We can find this through hearing and believing the message of Jesus.

And the church's prime task is to proclaim this message to the world - after all, as St Paul said, "How can they believe if they have not heard" There are many things in life that inspire us and bless us, and they all come from God. But the church has a particular role - to broadcast the Gospel message to the world, by all available and appropriate means. And my ministry with the church here is...Strictly Gospel!

With best wishes,

Stephen

Church Briefing

Advance Notice - Sunday 5th November - Commemoration Service

During the All Souls Season, we give thanks for the lives of those we have loved but see no more, and we remember especially those who are mourning the recent loss of a loved one. At our Commemoration Service, which takes place at Coln St Dennis on 5th November at 6pm, we will remember by name loved ones who are no longer with us, and pray for those who are bereaved. For further details, contact Stephen on 720392.

Autumn Groups

This autumn, we will be running two groups in our parishes to help people reflect on the Christian Gospel and what it means to have faith - The Alpha Course and Christianity Extended.

Following on from last year's well-attended event at the Seven Tuns, we will be running The Alpha Course again this autumn. This year it will be hosted by Stephen & Jenny Phillips (Fairview House, Fields Road), and will take place on Wednesdays 4th, 11th, 18th and 25th October and Wednesday 1st November at 7.30pm (five sessions).

All welcome! If you thought about attending last year, but were not sure - now's the chance! If you are interested, or would like further details, please

contact Stephen or myself (Rev'd Stephen).

Also, this autumn, we will be running a course called Christianity Extended, to help you dig deeper into the Christian life, based on the Christianity Explored DVD material with Rico Tice. This course will be hosted by Sue Callard (Laines Farm, Chedworth Laines) and will take place on Tuesdays 10th, 17th, 24th and 31st October and Tuesday 7th November (five sessions).

Advance Notice - 10 Days From Advent

Following on from 10 Days from Pentecost, which provided us with readings and reflections during the Pentecost season of 2015, look out for 10 Days from Advent, which will be launched later this year.

Baptisms

The church has always understood that the baptism (christening) of a child is the beginning of a relationship with God - and with the church. Furthermore, the recent Diocese of Gloucester Vision consultation has found most unsolicited enquiries to local churches from people in the 30-44 age group (a group that is under-represented in the church) are baptism enquiries.

The Diocese has therefore asked parishes to consider how they can improve their procedures around baptism, and our ministry team has

given this careful consideration. Unlike larger churches, we do not have the resources to do intensive training/preparation for families seeking baptism, but we would like to get to know families better.

Consequently, we would like to invite families who are resident in the Hill & Valley Parishes to attend a family-style service (Family Service, Tea Time Service or Family Communion) in the

parishes, if they have not already done so, prior to the baptism. Please contact Stephen if you have any queries.

The new academic year for 2017-2018 is off to a flying start! Children and staff at St Andrew's have come back full of energy and raring to embark on a year full of possibilities. We especially welcome our 12 new members of Reception class who have already settled in wonderfully well and we can't ever imagine school life without them! Here they are:

New Class Names

Pupils and their families submitted suggestions for new class names at the end of last term, many with excellent suggestions linking to the local area, including trees, local sheep breeds, rivers, birds and wildlife. Other

suggestions also included famous authors, footballers, imaginary worlds, planets and endangered animals, the list was impressively lengthy!

As the school backs on to a railway line and, years ago, would have overlooked the trains as they ran past, the staff team selected the suggestion of names of trains that ran on the railway in the local area, some including the Chedworth track. Therefore, our new class names are:

Thunderbolt - Reception

Goldfinch - Years 1 & 2

Churchill - Years 3 & 4

(now located on the same level as the above two classes to ease transition)

Godolphin - Years 5 & 6

(our older class are now on the lower level of the school - their very own extended space!)

Many thanks to Tristan H (Yr 1) and his family for these superb suggestions!

House Teams

The children have all been allocated a 'House Team' and will work together through the year to gain house points. The smart, new token collector and tokens have been kindly paid for by our PTA and are now mounted on the wall centrally by the admin office.

House points will be awarded to children for examples of outstanding choices of behaviour, pieces of work, choosing to show our school values in extraordinary circumstances, etc. Children and staff are extremely excited by this healthy competition and it has created a real buzz around the school. It is joyous to see the children excitedly hurry up to the token collectors to drop their hard earned house point into their team's tube! Their little faces are a real picture!

The House Team names are **Earth, Fire, Water & Air** which seemed very fitting with our school ethos as it picks up the theme of 'life'. St Andrew's is a place that nurtures, inspires and equips children with all that they need to live their lives in the best way they can.

These excellent suggestions were hatched by William F (Yr 3) and his family!

Our school value this term is 'Thankfulness' which could not be more apt as we begin a new school year. We celebrate with thankfulness all that St Andrew's is, for the children and staff,

parents and governors; we all come with our unique characters, our gifts and talents to share for the benefit of each other. As we prepare for Harvest we are reminded of God's goodness and all we have to share with others. Children have already expressed a desire to give generously to those caught up in the tragedy of the hurricanes. Our school prayer tree acts as another avenue of response to this devastation and to other local, national and global events. We are a school that looks outwards; we respond to the needs of others, however 'far away' they seem.

I look forward to sharing some of the highlights of the year as we continue to learn together this year. Some upcoming dates for you:-

Chedworth Pre-School

...where fun and learning go hand in hand

It's autumn time at Pre-School. We are starting to wear our winter clothes and we are getting ready for mud play, water play and having lots of fun in the leaves. Inside, the children are painting some lovely creations in our new art station. This term, we look forward to visits from Cotswold First Aid, Hannah Ellis from New Brewery Arts, lighting a fire at a Forest school session and of course, the fire engine and police car. Busy, happy days at Pre-School.

Chedworth Parish Council

News from the September 2017 meeting

£1,000 rent received

The Council has received the first years rent of £1,000 for the use of the Diggers Plot for the new Mobile Phone Pole. Work is expected to start on the plot soon and we will all be able to benefit from enhanced mobile connectivity with the £1,000 pa a nice bonus.

Requests for Funding

The Parish Council has agreed new guidelines for requests for funding as their money is obtained from resident's council tax payments and must be administered with proper governance.

Priority will be given to:-

- Supporting facilities which benefit the whole community.

To contact the Council, email the clerk, Elizabeth Broad (clerk@chedworth-pc.org.uk), or call her on 720313, or get in touch with any of the councillors directly.

For more information check out our website: <http://chedworthpc.org.uk/>

- Encouraging the whole community to be fit, active and safe.
- Maintaining open and clear access of the footpath network within the parish.
- Improving and maintaining the condition and biodiversity of the parish council land and verges within the parish.
- Maintaining and improving the Cotswold Stone walls within the parish.

Any project must demonstrate that it is:

- Of benefit to the whole community within the parish. Projects which are by their nature limited to benefit only a minority group within the parish are unlikely to be successful.
- Not able to gain all of its funding from other sources of support.
- Does not already receive money from tax payers to undertake the outcomes of the project as this could be considered as double taxation.

Applicants seeking parish council financial support must provide the following evidence:

- A project outline (All Applications)
- Key Beneficiaries (All Applications)

Costs (All Applications)

- All applications must show that they have complied with procurement policies and typically this will require three competitive like for like quotations to be supplied.

- Where projects are likely to require significant sums (those over £250) these will need to be budgeted in January and therefore an early request for financial support should be provided to the Parish Council for consideration at the December meeting.

For full details please email
clerk@chedworthpc.org.uk

Verge Management Task Force

Responding to the results of the recent survey, the Council is to set up a Task Force to recommend what steps it should take in managing our verges. The role of the Task Force will be to present a plan of action to the Parish Council

along with budgeted costings for contractors to carry out the proposed work.

How much should we spend (via the parish precept, part of your Council Tax) on making the village itself more attractive? Specifically, in this case, how do we manage the verges and what are we willing to spend on this?

Ian Morgan is leading on this project so please let him have your thoughts, or, if you would like to be involved in the Task Force to develop the plan, please contact Ian on 01285 720885 or email ian.morgan152@gmail.com.

Chedworth Brownies

We are very excited that Brownies has returned to Chedworth. There are lots of exciting plans ahead for this term including a sports evening, games and a campfire complete with marshmallows and hot chocolate! We are also planning a trip to the pantomime in Cheltenham along with other local groups.

Brownies is open to any girl between the ages of 7 and 10. We meet in the village hall on a Thursday evening between 6-7.30pm. Our Guide group will be following soon for girls between the ages of 10-14. Please do get in touch if you would like to find out more.

Chedworth Silver Band

We finished our Summer Season by playing at a rather wet though none the less enjoyable Valley Fete on 9th September and we are now rehearsing for our regular autumn concerts at Bourton-on-the-Water and Purton (Wilts) and the Christmas themed concert at Bourton RBL Hall.

Concert planned

We are considering putting on a Christmas themed concert at Chedworth Village Hall in early evening of Sunday 10th December. This would follow the Bourton format of Christmas music, popular carols, etc., with song sheets for the audience to sing along to which has proved increasingly popular in recent years. Details, sponsors, etc., are still to be sorted out.

New Members Wanted

We are as ever seeking new members. Cornet players in particular are needed and the band is now looking in to training new recruits to play. The first stage is for several band members to undergo DBS checks to enable them to work with young people with the aim of starting learners classes at the beginning of January.

If anyone is interested in learning to play and joining the band please contact David Broad 01285 720313 or Brian Broad on 01793 771667.

Summer Leagues

The season is now over and the final positions are as follows. The Mens Team finished 2nd in Division 2A and have won promotion to Div 1 next year. The Ladies A team have won the silverware coming top of Div 2A and will be in Div 1 next year. After a tough season, the Ladies B Team will sadly be playing in Div 3 next year.

Thank you to everyone for playing this season and here's to another challenge next year.

2017 Chedworth Show

Running a village show is a risky business. There is the risk of awful weather. Choosing the right day of the year is risky. Changing the format of the show risks upsetting those who lived in the village a lot longer than the organisers. Let alone choosing the wrong sort of music, not enough parking, too hot or too cold, not enough helpers or losing money.

So why take these risks? Pretty simple, in the view of the 2017 Chedworth Show organisers, because Chedworth should have an annual community event. A village without such an event is much poorer for it.

2016 saw the first step away from the Show being organised and run by the Horticultural Society, brought about by the realisation that firstly the traditional Horticultural Show and Fete was, despite the very best efforts, not sustainable and secondly it was felt that

the format did not allow more members of the community to be involved. With the Horticultural Society still forming an important part, and despite some challenging weather conditions, the 2016 Show was a success. Success being measured by positive feedback from visitors, money raised for the chosen charity and, importantly, the organisers being prepared to do it all over again in 2017.

From an initial meeting in the New Year a team was formed that set out to build on the success of 2016 by creating a

Photos by Mark Osborne

2017 Chedworth Show

somewhat larger event that would attract more people, give them more to enjoy, allow more money to be raised for charity, draw in more villagers to help and, crucially, be sustainable for and by our community.

Supported by generous Sponsors*, our very kind Show Patrons** from the village and with a small reserve from 2016 the Show developed in the months leading up to the event. Hopefully very few, if any, in Chedworth and elsewhere locally, did not realise that there would be a bigger, better family-based Chedworth Show.

Traders, music, the all important raffle, activities, finance, logistics, sound systems, power, food, drink, parking were all planned. Somewhat like running a business!

In the end the Show team could not have wished for better weather. Based on lots of extremely positive feedback, a very full car park, food and beer running out, ice cream doing roaring business and hearing visitors saying “we stayed all afternoon and still did not see everything” we think that the Show achieved our enjoyment goal.

Plus we will be giving £600 each to the 2 chosen charities (National Star College and Cirencester Housing for Young People), compared to £500 to one charity in 2016, and, mentioning sustainability again, there is an amount in reserve that is large enough to kick-

start the 2018 Show!

Put Saturday 25th August 2018 in your diaries now. Plan to be in Chedworth for an event that you will enjoy. We would really like your company.

The organising team were Iain Robertson, Hugh Blackwell, Colin Peirce, Simon Colbeck, Sooz Trafford, Richard & Bettina Abraham, Sheila Veuve, John Selway, Phillip Needham, Martin Spooner, Ione McMahon, Clive Poulton, Ray Hedger, Lee and Lucy Hatherell.

Not forgetting the valued help of Seb Morgan, Chris Berens, Peter Carter, Dave Musgrave, Sophie Blackwell, Josie Hutson, Tim Hamilton, Robert Young, Alan McCellan, Helen McCellan, Ian Taylor, Jamie Taylor, Ros Jess, Sarah Smith, Ros and Hugh Marsden, Juliet Stainforth, Andy McCulloch and other villagers who gave of their time looking after the judges, car parking, gate entrances, raffle ticket selling, etc. We could not have done it without you!

Join the 2018 Chedworth Show Team

The Chedworth Show Team is not an exclusive club run for its own benefit. It was borne out of the desire to enhance our community. If you would like to put something back into the village and get to know others that ordinarily you will not come across then please consider joining the Team. Help make 2018 Chedworth Show an even better event. Contact any of the Organising Team or email us at chedworthshowadmin@chedworthshow.co.uk.

September Report

35 Members met on Wednesday 13th September and enjoyed a lively evening of WI news and a talk on 'Family Trees' given by Malcolm Sadler.

Future events were discussed and a Clothes and Toy Sale will be held on Saturday 21st October from 2 - 4pm. Profit from the clothes, handbags and shoes will go to Chedworth WI and profit from the toys and children's books to Chedworth Pre-School. Everyone is welcome to discover the bargains and enjoy the home-baked cakes.

Another event will be the Annual Dinner on 6th November, this year as a celebration for the 90th birthday of Chedworth WI. A professional photograph of the WI members will be taken at the end of our party.

Malcolm Sadler, our speaker from Clearwell in the Forest of Dean, enthralled us with his knowledge. He showed us a book of Gloucestershire dated 1608 which logged the age and

height of the men in each village and their ability to carry arms.

From the first census in 1844, Malcolm had discovered that families called Coates, Roberts, Sly and Holland had lived in Chedworth; these names were familiar to many members.

The derivation of names can be

- Geographical, e.g. John who lived by a hill was John Hill.
- Occupation, e.g. Carter, Smith, Gardner
- Nicknames, e.g. Brown, King,
- The son of, e.g. Johnson, Peterson.

A website to follow for anyone interested is Public Profiler which gives information for the 1881 Census and 1998 electoral roll.

The next meeting is at 7.15pm on Wednesday 11th October in Chedworth Village Hall. Members will share their hobbies and/or bring their crafts, photographs and memorabilia of 90 years of Chedworth WI.

Golf Day at Monmouth

First of all I would like to say a big thank you to everyone who sponsored or gave a raffle prize for the golf day at Monmouth on Friday 8th September. Special thanks to Andy and Chris Miles for printing the programmes for the day.

We started off at 6.30 am with it pouring with rain, which wasn't looking good for the rest of the day, but yet again the weather improved and it turned out to be a nice day with the occasional shower.

We played Texas scramble for both rounds. In the morning the winning team was Lee Hatheral, Mark Wall, Christopher Heaps and Craig Hughes. Second were Nathan Heaps, Tom Horral, Dick Handy and Darren Handy. In third place were Andy Miles, Alistair Booth, Martin Harrison and John Robson (Robbo). Nearest the Pin was won by Tim Gleave and Longest Drive winner was Dan Heaps.

In the afternoon the winning team was Daniel Heaps, Tom Horral, John Robson and Pete Heaps. Second were Martin Harrison, Chris Miles, Lee Hatheral and Nathan Heaps. In third place were Andy Miles, Dick Handy, Jeff Wheedon and Ian Taylor. Nearest the Pin was won by Tom Horral. He also won the Longest Drive.

I feel I should give a special mention to the team of the day - Tim House, Christopher Heaps, Craig Hughes and Ian Eames who would have won any

golf competition for their dress code - as you can see in the photo. Just like the weather, it definitely brightened up the afternoon. Well done lads, great effort!

"The Dream Team" Craig Hughes, Christopher Heaps, Ian Eames, Tim House

The money raised this year is the fantastic amount of £1,645. £200 will be given to the Chedworth and District Horticultural Society and the remaining £1,445 will be given to Chedworth Pre-School.

Once again, thank you to all of you who took part in helping to raise this money because if I didn't have your support, then none of this would happen.

The date for next year's golf day is 7th September 2018 and I look forward to seeing you all again.

Thank you.

Pete Heaps

Maggie's Poem

Time Flies

Spring and summer now have passed
Autumn is coming in quite fast
Village activities nearly at an end
Very successful our thanks to send

To people that give all their best
Bringing so much pleasure to the rest
Farmers must be a bit distraught
For mixed weather this season brought

Did you catch the sun that came
Or get caught in torrential rain
Countries abroad had storms severe
Our thanks to God that we live here

Christmas now a few months away
Christmas cards are on display
A few months are still to come
Hope we have good memories of what we have done

Church Valley Fête

Thank you to everyone who came and supported our Valley Church Fête on 9th of September. Despite the very heavy showers at times it was a very successful afternoon resulting in a record amount being raised of £5,800 less a few expenses. We give fifteen percent to two worthy charities, the remainder goes towards the upkeep and running costs of our two beautiful little churches here in the Valley.

I would like to thank Mr & Mrs Nicholas Jones for their kind permission to hold the fête in their beautiful garden, and for the use of the barn for the Nearly New sale the week before the Fête. Many thanks too, for all the many very generous raffle prizes, tombola prizes, cakes, plus produce, nearly new, and the many other things for the book, toy and bric-a-brac stalls. Without the help of a lot of people of course the

Fête could not go ahead. My very grateful thanks to everyone who helped during the week before, helped on the day and with clearing up afterwards.

You may have heard that I am retiring as Chairman of the fête, along with Teresa who has been in charge of the teas for many years. I have been Chairman for over thirty years and have been involved with the fête for over forty, so I think it is time to hand the baton over to a younger person with a team of helpers. Please contact me if you would be willing to take over this extremely important community event. I would be delighted to hear from you. But to you all, thank you for the happy memories and for all your help and support to me over so many years.

Horticultural Society

Chedworth & District Horticultural Society

We are heading towards the end of a very successful year for the HORTSOC, and with the AGM, planned for November and the autumn compost delivery on a date to be confirmed in late October it is a good time to reflect on the year's main events.

At the Show, although the number of entries and exhibitors was down on last year, the quality of the exhibits was as good. As always, I would encourage people, members or not, to enter any of the wide range of classes just for the fun of it and, perchance to win a prize, as I rather surprisingly, did. We will be extending the period allowed for setting up exhibits and for entries on the day. Well done to all who won prizes, and grateful thanks to those manning the produce stall, the income from which will be donated to our charity, the Butterfly Garden at Staverton.

Sue Bradbury has led, outstandingly, on two major Society features, for which acknowledgment and grateful thanks are due. As our Garden Visits Member, she put together a programme of garden visits that has been of the highest quality and greatly appreciated by our members and visitors. It was a fitting climax to our programme to be enjoying an excellent packed tea made by Claire Booth, seated in the walled garden at Rousham House.

Sue was also the driving force behind the highly successful open gardens part of the weekend of church flower festival and open gardens. It was not initially an easy task to persuade enough people with gardens to open them to the public, but in the end we had a very good selection spread throughout the village. The feedback from visitors was very pleasing, particularly in the way the days were organised, so congratulations to all who were involved, including the excellent publicity achieved.

Membership

Can members who have not paid their membership fees for 2017/8 please make arrangements to do so as soon as possible, with any member of the committee. Payment will be in exchange for a card which attracts a 10% discount on plants at the Burford garden Centre.

Chedworth & District HORTSOC*

Your Gardening Tips

FOR OCTOBER 2017

The autumn weather seems to be more unsettled than last year, but hopefully you can pick moments of sunshine to be getting on with the gardening jobs

- It is time for tidying the borders, leaving seed heads for the birds. Trim back lavender if not already done.
- Add compost or rotted manure to the garden to reinvigorate the soil over the winter.
- If not done, there is still time early in the month, to rake out the dead grass from lawns and treat with autumn feed. Keep the grass no lower than 1 inch high.
- When digging out the vegetable garden leave the pea and bean roots in the ground to recycle nitrogen, and do not leave potatoes in the ground for the slugs to feed on.
- If you can, resist harvesting all your carrots, kale, cabbage, parsnips and brussels sprouts until after the first frost, as they will taste better.
- Clear up fallen leaves regularly to make compost. Shred through the mower and mix with last grass mowings to help break down the leaf structure.
- Divide herbaceous perennials and rhubarb crowns.
- Plant out winter lettuce, autumn onion sets, garlic and spring cabbage. Remove yellow leaves

from over wintering brassicas, and if not already done, cover your brassicas with bird proof netting. Stake tall brassicas, against wind damage.

- Plant wallflowers, forget-me-not, primulas, violas and other spring bedding plants in prepared ground or pots.
- Shrubs that are pruned hard in the spring, such as Buddleja, Cornus and Lavatera, can be cut back by half to to prevent wind rock
- This is a good time to apply glyphosate weedkiller to perennial weeds.
- Prune shrubs and fruit trees to increase ventilation. Inspect for signs of disease.
- Prune climbing roses
- Clear out debris, weeds and excess oxygenating plants from ponds. Leave by the side of the pond for 36 hours before composting, to allow wild life to return to the pond.
- Take cuttings of tender perennials, such as pelargonium.
- Do not feed plants at this time of year as it will encourage soft sappy growth which is vulnerable to frost and wet damage.
- Bring tender plants in doors or into the greenhouse.

Elderberries

At our last meeting we visited Sue Callard's wonderful garden in Chedworth Laines and we were blessed with a warm, sunny afternoon. So not only were we able to saunter round but also sit outside to enjoy tea and an excellent assortment of cakes. We are so grateful to Sue for her superb hospitality.

We were also pleased that Bee was able to join us for the afternoon. She now resides in Cheltenham and it was good to see that she was her normal perky self. We also said goodbye to Vicky and Stan who soon afterwards moved to a Retirement Village in Painswick and we look forward to hearing how they have settled in.

By the time you read this we should have celebrated our Harvest Festival with our vicar Rev Stephen and in October we welcome Dulcie James who will be talking about 'Positive Clarity'.

We have certainly been working hard to put this lovely old Inn back on the map. It has been totally refurbished inside and I have revamped and replanted the garden too. The patio is a real joy of floral loveliness in the Spring & Summer months.

The atmosphere inside is warm and relaxed and Kev has created a superb Menu which has 'County-Living' influences. We have a good range of Wines & Ales that complement the quality ingredients used in the kitchen.
